COUNTER / BOILING STERILIZER

HAND-HELD COUNTER

DBC-1

DBC-1

Features:

* Metal housing.
* Easy held by one hand.
* Record up to 9999 with one key.
* Reset knob.
* Quality certification: ISO 9001

DIFFERENTIAL BLOOD CELL COUNTER

DBC-2 / DBC-6 / DBC-9

DBC-9

DBC-6

DBC-2

Features:

* ABS outer shell can resist collision. (for DBC-6, DBC-9)
* Color charts of white blood cells are supplied. (DBC-6 including BASO., EOSIN., SEG., LYMPH., MONO.; DBC-9 including BASO., EOSIN., MYELO., JUVEN., STAB., SEG., LYMPH., MONO.)
* At one hundred increment of the total record, the bell sound "DON" will be heard (for DBC-6, DBC-9)
* Reset knob can easily clear all figures.
* Quality certification: ISO 9001

Specifications:

Model	Total of Keys	Total of windows	Totalizer	Figure range	Gross weight	Size (mm) (W×D×H)
DBC-2	2	2	No	0~999	325 g	100×80×50
DBC-6	5	6	Yes	0~999	610 g	250×80×50
DBC-9	8	9	Yes	0~999	800 g	320×80×50

BOILING STERILIZER

BS-1836

BS-1836

Features:

* All hydraulically pressed 18.8 stainless steel, can withstand electrolysis without corrosion.
* Long life immersion stainless nickel pipe heater, explosion & corrosion proof.
* Precision mechanical timer with bell.
* Waterless overheating prevention system with auto power cut-off.
* Quality certification: ISO 9001

Specifications:

Model	Timer	Heater	Thermostat	Tray size (mm) (W×D×H)	Chamber size (mm) (W×D×H)	Size (mm) (W×D×H)	Weight (kg) (N.W. / G.W.)
BS-1836	0-60 min. mechanical timer with bell	1500W	Temp. over to 150℃ auto cut-off power	350×165×30	360×180×125	525×190×170	3.5 / 4.2

Power Supply: AC 220V / 50-60Hz / 7Amp.
